

OREGON BAPTISTS

STATE HAS 8309 MEMBERS
AND 121 CHURCHES.

Total Increase in Membership During the Year 1901—Rev. H. Wise Jones of Buffalo, Evangelist, Coming—Deficit in State Church Treasury of \$445 Was Paid Off at One Enthusiastic Meeting—Baptist Seminary to Be Established at Berkeley.

The returning delegates from the Baptist State Convention at McMinnville, bring unanimous reports of an enthusiastic session and of general church progress being reported from all sections of the state. A brief synopsis of the work of the church throughout the state is as follows:

There are 55 mission churches, in which work 42 missionary pastors. These 55 mission churches have a membership of 2590, and sustain 41 Sunday schools with an enrollment of 3176. These same churches last year raised for benevolences, \$2711.34.

There are now in the state 121 Baptist church organizations, with a total membership of 8309.

During the year just ended there were taken into the church in this state by baptism 664, while the number received otherwise was 837, making a total taken into the church during the year of 1501.

The convention developed the fact that of all the church's varied interests evangelism has been during the past year, and now is, the one and all absorbing topic throughout the state. One result is that one of the church's greatest evangelists will come into the state during the coming winter—Rev. H. Wise Jones of Buffalo, N. Y., under whose ministrations during three regular pastorates over 600 conversions were brought about. This week Rev. Jones begins a series of meetings at McMinnville.

The report of the finance committee showed a deficit of \$445.33. This amount was raised at one enthusiastic session, and the work of the state is now free from debt. At one other session \$3000 was raised for McMinnville college.

On Wednesday evening a "designation service" was held which was of peculiar interest. The presence of eight or ten outgoing young missionaries gave especial enthusiasm to the service. A short address was given by each, followed by prayer designating that particular missionary for his special field.

The work of establishing the Pacific Coast Baptist Theological Seminary at Berkeley, Cal., was then taken up and evoked much enthusiasm and good planning. During the coming year work will be actually begun on the institution. Rev. Claiborne M. Hill, D. D., is its president, and J. W. Brower, D. D., of Portland, is its vice-president.

National Fire Agents.

St. Louis, Mo., Oct. 18.—Prominent insurance men from every section of the country filled Recital hall this morning at the opening of the ninth annual convention of the National Association of Local Fire Insurance Agents. After the call to order, President Francis of the exposition, welcomed the visitors, for whom a felicitous response was made by Frederick Guenther of Detroit. The remainder of the session was occupied with the appointment of committees, reports of officers and other business of a routine nature. The convention will be in session during the next three days.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Catarrh is a disease of the urinary tract, and is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Dr. Williams' Pink Pills are taken internally, acting directly upon the blood and systemic surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J.
